Would you like your relationship to be the best it can be?

The Marriage Course is for any couple, whether you have been together for one year or 61 years and whether you feel you have a strong relationship or are struggling.

If you have a strong marriage this course will help you make it even better and will reinforce your good habits.

If on the other hand your marriage is in difficulty, the course will help provide you with very practical tools to help you work through the issues. Some couples who are separated have used the course as a way of trying to get back together.

Whatever your situation, the practical tools you learn will help improve and strengthen your relationship.

While The Marriage Course is based on Christian principles, it is designed for couples with or without a Christian faith. Many couples who are not churchgoers have commented that the Christian content was presented in a way that did not make them uncomfortable at all.
